LETTER

FROM

EBENEZER H. CUMMINS,

With tables, showing the result of any ratio of representation, from 45,000 to 55,000 souls for one representative.

January 4, 1832.

Ordered, That 2,000 copies be printed for the use of the Senate.

Washington, *3d January,* 1832.

Sir: Several honorable Senators having expressed a wish to obtain additional copies of the census tables heretofore by me presented, and others desiring that they should be made to include the rates of one to every 45,000, 46,000, and 47,000 souls, I now transmit the additional tables, which, if the Senate think proper to order printed, may be made to precede those beginning with the rate of one representative to every 48,000 souls, to that of one to every 55,000 souls, inclusive.

I have the honor to be, sir,
Your most obedient servant,
E. H. CUMMINS.

To the hon. John C. Calhoun, *&c. &c.*

The following table, exhibiting at one view the numbers, in the several States, of the free population; slaves, two-fifths thereof being deducted; the population to be represented, according to the census just completed; will also show the number of representatives to which each State will be entitled for the next ten years, according to the several rates assumed, from one to every 45,000 souls, to that of one to every 55,000 souls, inclusive; together with the fractions remaining in each case.

STATES.	Free population of all descriptions.	Slaves, two-fifths deducted.	Population to be represented.	Number of representatives, at the rate of one to every 45,000 souls, with the fractions.		Number of representatives, at the rate of one to every 46,000 souls, with the fractions.		Number of representatives, at the rate of one to every 47,000 souls, with the fractions.		Number of representatives, at the rate of one to every 48,000 souls, with the fractions.
